The Honorable Hillary Rodham Clinton  
ATT: Mr. Jay Biba  
Hanley Federal Building  
Syracuse, New York

Dear Mr. Biba,

I'm the coordinator for the parent's group AKidsRight.Org . At the end of July one of our members, Ms. Katherine Neville, had the chance to speak with you in person and drop off a couple of letters regarding Family Law reform.

Our immediate goal is simply to have Senator Clinton visit Syracuse and meet with a small group of parents and hear their stories. We have a draft agenda at [http://www.AKidsRight.Org/clinton/draft\\_agenda.htm](http://www.AKidsRight.Org/clinton/draft_agenda.htm)

I called your office last week and left a message and callback number. There has been no reply. I would appreciate the opportunity to speak with you in person regarding reform. More local peaceful activities are planned to call attention to this issue – have we 'missed' the Civil Right of parents & children to be secure in their relationship?

As a personal reference I recommend you speak with Mr. Talarico, on GSA staff at the building. He does not endorse our goals, but he is familiar with me and also some of the goals of the group through past activities at the building.

Sincerely yours,
